Aoyama-san, you're not going to enter?
I want to go in, but.....
Wonder if she's not feeling well, so she came outside for some fresh air?
O。
I was kicked out for enjoying the view.
Please leave!!
for real?

Because you aren't embarassed all the time.
It's not something to kick out for, is it?
Is it a good thing to be "liked" like that though...
If they look at you, it only means they like you.
What if Rize was watching?
B-but...
I'd like that! But it's still embarassing.
